

We will be celebrating Halloween on
Thursday, October 29th.

Students will dress in their costumes, we will play Halloween themed games, and have a Halloween party with some treats at snack time!

Please send your child to school wearing their costume on Thursday. Be mindful that your child will still need to wear their appropriate face covering throughout the school day. Costume masks do not substitute as a face covering.

Your child will not need their uniform or a change of clothes. Children will wear their costume all day. Please make sure students can use the bathroom on their own while in costume.

Please do not send in accessories (wands, shoes, weapons, etc.)

Our party will take place during snack time, children do not need a snack on Thursday - only a lunch .

A big thank you to our room reps and families who are helping to coordinate for the party.

We will be sure to take pictures and post to our classroom website!

Have a safe and fun Halloween!
